Experience

Jan 2024 - Present

Sales & Digital Content Assistant (PT) |
Tang-Tai Pork Stall

Address: No. 304, Chongde Rd, East
District, Tainan City 701, Taiwan

Assisted with daily stall sales; introduced
pork cuts and recommended suitable
cooking methods to customers.

Communicated with foreign workers and
new immigrants using basic English to
support their purchasing needs.

Collected and organized frequently asked
customer questions and transformed them
into a clear website information structure.

Developed an interactive “Pork Cuts
Explorer” website; responsible for bilingual
(Chinese/English) content writing.

Designed multilingual UI elements and
interactive features to reduce
understanding barriers for diverse user
groups.

Applied user observation, information
organization, and basic front-end
implementation skills, solidifying interest in
UI/UX design.

Professional Qualification

14 Feb 2024

Build Dynamic User
Interfaces (UI) for
Websites | Google

Applied user observation,
information organization,
and basic front-end
implementation skills,
solidifying interest in UI/
UX design.
